

Welcome to Bungalow Sebelas

Juada Gardens, Seminyak

This information sheet aims to inform you about the operations of the villa, and some of what Seminyak has to offer, including cafes and restaurants, beaches, chemists, money exchange, and how to get around.

Arriving

Ayu (the housekeeper) will be there to greet you unless you arrive very late. If the house is unattended, pick up the key from reception, Jonny (the driver) will take you down to the bungalow.

Registering at Reception

The day after you arrive you must register as a guest. Either see Ayu or go to the Reception area at the top of the gang and see Agus or Nyoman. You will need your passport number, date and place of issue and expiry.

Power/Electricity

If you take a laptop, it is recommended that you use a 'surge buster'. There are two kept at the bungalow. They are located in the cupboard where the safe is, along with two adaptors, mobile phone and torches.

Note: During peak season (Nov, Dec, Jan) there are sometimes rotating blackouts for up to three hours. Please use torches and candles provided.

Telephone

The bungalow has its own mobile phone.

The phone number is 087761546292.

To dial Australia (+61) drop the first 0 then number

To receive calls from Australia or abroad the phone number is +6287761546292

There should be a small amount of credit left on the phone when you arrive- to check dial '*123#' then 'send'. To buy credit, there is a booth located out the front of the Bintang supermarket. Please leave a small amount of credit on the phone for the next guests. Thank you

Drivers/ Getting around

Speak to the drivers regarding rates. Both of the driver's numbers are in the contacts list in the mobile phone.

If I have organized an airport pick up for you, more than likely Johnny will be there to pick you up and drive you back to the Bungalow. It is best to pre-book your return to the airport with Johnny. He also does day trips and tours around Bali.

The other driver we use is Wyan. If you need to get around town or you find it's too hot to walk, give Wyan a call. He knows the ins and outs of Bali and is very familiar with the streets. He will pick you up from the Bungalow any time you need! Wyan also does day trips.

Water/Bali Belly

Do not drink the tap water. There is a water cooler with drinkable water provided. If you are in need of bottled water it is very cheap to buy from the convenience stores and supermarkets. It is also recommended that you take a probiotic a week before you go and during your stay in Bali.

Money Exchange

The best place to change money is BMC. It is situated half way down Seminyak Road on the right hand side towards the Bintang Supermarket, on the right hand side of the road. BMC is a reputable, non-commission money exchange outlet. Be aware of the small money exchange stalls, as they almost always shortchange you. BMC also have safety deposit boxes available.

Chemist

Twenty metres before the Bintang supermarket (on the road at the top of the gang) is "APOTEK", which will have all of your pharmaceutical needs. If anyone is affected by Bali Belly or feeling unwell, it is possible to buy tablets in the chemist to help you feel better- Just ask the people in the store.

Masseuse

If you want an in-house massage call Suku to arrange. They know where the Bungalow is and are fantastic.

Eating out/ Restaurants

There are many good cafés and restaurants within walking distance of the bungalow. About ten minutes walk to the beach you'll find many café's and restaurants to choose from on the esplanade. Please do not take any valuables with you or leave bags unattended at the cafés or beach!!! Please leave your valuables in the safe. Seminyak houses a lot of nice restaurants.
